

Spreading Positivity during the Pandemic

We are here to encourage young people to develop good social and emotional assets and to promote a safe and healthy lifestyle. Spreading positivity is vital to creating the best possible atmosphere in our communities. The more love, joy, and positivity you see, hear, and do, the more it will influence your mood and your outlook.

How can you help spread positivity?

Decorate your sidewalks and driveways with positive, uplifting, and healthy messages!

You can aim your message towards a group of essential employees like:

- Nurses and Doctors
- First Responders (Police, EMT's, Firemen)
- Teachers, Principals, and Counselors
- Grocery Store and Gas Station Workers
- Mail Carriers
- Or you can write a positive message to lift up everyone during this hard time

SMALL
ACTIONS
x LOTS OF
PEOPLE =
BIG CHANGE

When you are finished, add #ChalkUpThePositivity and take a picture. Then email or text it to townhall2prevention@gmail.com. We will post the messages on our Facebook, Twitter, and Instagram to spread positivity throughout Portage County!
