

Are you or someone you care about at risk of an **OPIOID OVERDOSE?**

Deaths Avoided With Naloxone

Project DAWN is a community-based drug overdose education and Narcan distribution program.

Participants will learn to:

- Identify the signs and symptoms of an opioid overdose
- Understand the importance of doing chest compressions and/or rescue breathing
- Call emergency medical services
- Give the Narcan Nasal Spray

Project DAWN kit includes:

- 2 Narcan Nasal Sprays
- 1 face shield for rescue breathing
- Non-latex gloves
- Quick reference guide
- Portage County Services pocket guide
